**Position Title:** Material Readiness Instructor/ SME, I MEF G4

**Position Location:** Camp Pendleton, CA

**Employment Status:** Full time (exempt) employee with competitive benefits package contingent upon contract award

**Position Description:** II Corps Consultants, Inc. is seeking experienced logisticians to provide I MEF G4 with support in Material Readiness and Training. Will advise on supply and maintenance policy and procedure. Provide liaison with logistics systems coordination office, logistics readiness evaluation teams, the GCSS-MC program office, MRTC, and FSMAO-West. Provide material readiness training (9 classes per month and in two different courses/tracks) and maintain training records.

**Job Requirements (minimum):** Secret Clearance, in JPAS/DSS required. The ideal fit for this position is a veteran with experience in the Marine Corps serving on a MAGTF staff. Extensive knowledge in material readiness, GCSS-MC, USMC supply and maintenance policy and processes. Capable of teaching the use of GCSS-MC as well as subjects relating to supply and maintenance and maintain training records in MCTIMS.

**Highly Desired Skills:** The candidate should have experience developing products, briefs, orders, and policy at the 3 star staff level. This includes participating in operational planning teams (OPT) and working groups to solve military problems. Experience as a formal school instructor (preferably in logistics, supply, or maintenance). Capable of independent liaison work to coordinate training across other MEFs and service level logistics offices to include: LSCO, MRTC, GCSS-MC Program Office, and FSMAO-West.
